

Advanced Preflight, let's see...what did you miss?

Each year, Airman across the country are involved in accidents and Incidents that could have been avoided if only they would take the time necessary to do a thorough preflight. We will discuss some of the pitfalls and got ya's of this critical phase of your flight and then actually preflight aircraft that have been set to "stump the pilot".

Door prizes will be given during the event.

Directions: Williston Jet Center is located on the ground of Sloulin Field International Airport, directly across the parking lot from the commercial airline terminal.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
